TYOJN5148U0 USB Dongle Labelling

This document has been generated in support of the FCCID application for the TYOJN5148UØ USB Dongle.

It covers the following products:
JN5148-ØØ1-MØ6, JN5148-JØ1-MØ6, JN5148-TØ1-MØ6 and JN5148-ZØ1-MØ6 as detailed on the silicon summary cover letter.

The following picture shows an example of NXP's USB Dongle labelling

JN5148-001-UØØ

Subsequent to being granted an FCC-ID the following label will be used for JN5148-001-UØØ.

| Product Identification Instructions |
| --- |

Label line 1: **Industry Canada ID Number**

Label line 2: **FCC ID Number**

Label line 3: **Part Name**

Label line 4: **Barcode**

Label line 5: **YYWWTNNNNN (see below)**

Identifier	Description	Format
YY	Year	06(example)
WW	Week	45(example)
T	Module type	8
NNNNN	Serial Number	

IC: 7438A-CYO5148U0

FCCID: TYOJN5148U0

JN5148-001-U00 NXP

YYWWTNNNNN

JN5148-J01-UØØ

Subsequent to being granted an FCC-ID the following label will be used for JN5148-J01-UØØ.
